

Bibliografia Fertilizantes à base de peixe / Fish Hydrolysates

1991

Averill, A.; DeMoranville, C.; Deubert, K.; Morzuch, B.; Edwards, S. 1991. Low input cranberry production: field demonstration and analysis. *HortScience* 26:479.

1992

DeMoranville, C. 1992. Fish fertilizer: lessons for low input production. *Cranberries* 56(3):12-13.

Weis, S.A.; Bramlage, W.J. 1992. Using fish waste hydrolysates as a fertilizer for apples and blueberries. *Fruit Notes* 57(3):15-19.

1993

Athanas, R.P.; DeMoranville, C.; Bramlage, W.J.; Kelleher, S.D. 1993. Effects of fatty fish fertilizer on Northeast agricultural crops and the manufacture of proper liquid fish products. *Univ. Mass. Environ. Inst. Tech. Memo*. [No issue no.]; 24 p.

HYDROLYZED FISH/FISH FERTILIZER/ANIMAL FEED

Evers, D. J. and D. J. Carroll. 1998. Ensiling salt-preserved shrimp waste with grass straw and molasses. *Animal Science Feed and Technology*. 71:241-249. (Available on line at <http://www.elsevier.nl/inca/publications/store/5/0/3/2/9/9/>)

D. J. Evers and D. J. Carroll. 1996. Preservation of fresh crab or shrimp waste. *Animal Science Feed and Technology*. 59:233-244. (Available on line at <http://www.elsevier.nl/inca/publications/store/5/0/3/2/9/9/>)

Model Business development and Marketing Plan for Fish Hydrolysate Fertilizer. Nona R. Henderson and Dan B Strombom, Rutgers University, Report to National Coastal Resources and Development Institute. June 1995.

Efficacy and Marketability of Liquid Fish Fertilizer in Southern New Jersey. Nona R. Henderson and Dan B. Strombom, Rutgers University, Report to National Coastal Resources and Development Institute. June 1995.

Application of Liquid Fish Fertilizer through Sprinkler Irrigation for Commercial Production of Cranberries. Henderson, Nona and Dan Strombom. Rutgers Cooperative Extension. New Brunswick, NJ. fact sheet FS-803.

Use of Fish Hydrolysate Fertilizer on Early Blacks in New Jersey. Report to National Coastal Resources and Development Institute. Henderson, Nona R. and Dan B. Strombom. Rutgers Cooperative Extension. New Brunswick, NJ. June 1995. 10 pp.

Production and Testing of Seafood Waste Amended Lime Materials for Resources Conservation and Crop Production. Kuo, S et. al. National Marine Fisheries Service Saltonstall- Kennedy Cooperative Agreement #NA36FD0156. September 1994. 159 pp.

Fish Liquifaction: An Alternative to the Present Waste Handling Practices of the Great Lakes Fishing Industry. University of Wisconsin-Extension, Dept of Food Science and Meat and Animal Science. 46pp. 1976.

Fish Waste Utilization - Development of Fish Oil and Fish Fertilizer for Agricultural Uses. Fruit Builder, Inc. National Marine Fisheries Service contract #82-ABH-00156. February 23, 1984.

Compostable By-Products in the Mid-Coast Area of Main. Seekins, Bill and William Walton, Jr. Mid-Coast Resource Utilization Consortium. (Undated circa 1990).

WASTE MANAGEMENT

Shrimp Waste Utilization. INFOFISH Technical Handbook 4. Compiled by Roelof Schoemaker, edited by Nirmala Richards-Rajadurai. 1991

Making Profits out of Seafood Wastes. Alaska Sea Grant College Program. University of Alaska Fairbanks. Report No. 90-07. April 1990. pgs. 238. \$10.00

Seafood Waste Management in the 1980's: Conference Proceedings. W. Steven Otwell. Florida Sea Grant College. Report No. 40. February 1981. pgs. 365
